Wedbush Insured Deposit Program satisfies the FDIC's requirements for agency pass-through deposit insurance coverage. Program banks in the network are FDIC-insured banks and savings associations as those terms are defined in the Federal Deposit Insurance Act. The FDIC insurance limit is \$250,000, or \$500,000 if a joint account, in each eligible account type per depositor per bank. Please carefully review the disclosure document for detailed information regarding FDIC insurance limits. The Wedbush Insured Deposit program currently offers \$2.5 million of FDIC insurance per eligible account. While you may exclude any number of banks you choose, the maximum level of FDIC insurance may decrease from \$2.5 million to a lower coverage level as a result. Please contact your Financial Advisor with any questions.
